

CCS/LO Intro Script for Processor

Hey [Client Name], this is my head processor (**PROCESSOR NAME**)! They will be the one who helps us get this Now that your loan is submitted, (PROCESSOR N will be working **with us to get** it closed smoothly. Once we receive the initial approval, expect them to reach out to collect any documents we need to move toward closing. We're excited to get this done for you! This group chat will be our spot

***PROCESSOR RESPONSE AFTER CCS/LO INTRO BEFORE AWC**

Hey (**clients name**)!

Great to meet you, I'm excited to work with you on getting this loan to the finish line! Once your loan is approved by underwriting, I'll be reaching out to help gather any documents or info we need from you to move things along.

I'll also be checking in 1–2 times a week with updates as we get closer to closing. If you ever need a status update or have questions, just message here in the group chat so (**LOA NAME**) and I can both see it and assist.

Please keep all communication in this chat so we're all on the same page. If you'd ever like to hop on a quick call or Zoom, just let me know and I'll get it scheduled.

***PROCESSOR CTC TEXT**

Hey team, we're **Clear to Close!**

Huge thanks for all your effort throughout this process, and for trusting us to get this done for you.

(**DIRECTOR/LOA**) will be reaching out shortly with details to schedule your **closing day** so we can wrap this up and make it official!

Congrats again; we're excited to see this one through to the finish line!

***INITAL PHONE CALL SCRIPT PROCESSOR AWC**

Good morning/afternoon **[Client Name]**,

My name is **[Your Name]**, and I work with **AFEX Mortgage** alongside Loan Officer **[LO/LOA Name]**. I'll be your loan processor for your refinance on **[Property Address]**.

Now that your loan has been approved, here are the items we'll need to get you to the finish line:

[List items here]

If you need help with anything, I'm here every step of the way. After this call, I'll also create a group chat so both **[LO/LOA Name]** and I can assist you directly with any questions or updates.

Before we wrap up, is there anything you'd like me to go over regarding the list of items? We want to make this process as **smooth and seamless** for you as possible.
