

Purchase Play

***INTRO**

-Hi, this is (Name) Calling from United Mortgage. I appreciate you taking the call today. We are reaching out to you in regarding your recent mortgage inquiry, have you found a home or are you still in the process of getting pre-approved?

***(Not Pre-Approved)**

*-How much were you looking to get approved for?
-How much have you saved for a down payment?
-Are you currently working with a realtor?*

***(If Home Was Found)**

*-Are you under contract or still in negotiations?
-What was the purchase price?
-How much are you putting as a down payment?*

***If Objection**

*-I completely understand, as a broker we save clients on average \$8,000 from a cost standpoint and we are lower on the rate as well compared to your traditional bank, so (Pivot)
-No worries, this is your biggest financial asset, we are a top 2 brokerage in the nation. We work with 67 different banks with access to 67 different products and pricing we will be able to put together an option that will save you thousands (Pivot)*

***CLOSE**

Ok sounds good I am going to get this over to my finance director and we will go over the solution with you assuming we are able to get this done is there any reason we wouldn't be moving forward today? (Make sure you note the client's response) and if you get busy can you please give me a heads up and I will push it to another time.
